The purpose of the Director's Interpretation Application is to provide a process to clarify terms or phrases within this title which may require further interpretation. The application also provides a means to assign new or non-categorized uses to permitted, accessory, or conditional uses in a zone. Interpretations of code terms, intent, or meaning are different from other land use applications in that they are an interpretation of language and policy, as opposed to an evaluation of a use or development. The application may be submitted in advance of, or concurrent with, an application, permit, or other action.

What is the requested interpretation? _____

The director has the authority to consider the request for an interpretation, and shall respond within 30 days following the date of the request, as to whether or not a requested interpretation will be issued. The director may issue or decline to issue a requested interpretation. The director's decision to decline to issue an interpretation is final when the decision is mailed to the party requesting the interpretation. The decision to decline to issue an interpretation is not subject to local appeal.
