

Report update

Addendum,

NW Jetty Avenue, Parcel # 06-11-34-DD-01000-00

Rapid Soil Solutions (RSS) finds the site conditions the same as in January 2021 when we did our initial site explorations. I also agree with the geologist finds by Thomas Wayland.

Please remember to allow for up to 48hours for foundation inspection of the site.

Mia Mahedy, PE GE  
Dated 1/31/22
