of the owner, be used for such temporary emergency operations purposes.

Emergency operations uses include, but are not limited to, emergency facilities, shelters, overnight shelters, bivouacs, mess halls, emergency campgrounds, staging areas, inoculation centers, distribution centers, or similar emergency operation uses.

WHEREAS, the City has previously authorized by various Orders and Resolutions certain emergency operations uses (emergency sheltering/ housing) on specifically listed properties based on a housing crisis caused in part from the loss of over 300 homes in the recent ECHO MOUNTAIN COMPLEX FIRE. Specifically Resolution 2020-22, authorized emergency operations uses (temporary recreational vehicle parks) in accordance with resolution terms and conditions on specified properties in the City; and

WHEREAS, since the adoption of Resolution 2020-22, the Federal Emergency Management Agency (FEMA) approached the City and requested that a specific City-owned property be designated for emergency operations uses, (temporary housing); A Resolution authorizing such use (Resolution 2020-24) was adopted, but subsequently the property (Fernwood) has been determined to be less desirable than other nearby property owned by the Tribe.

WHEREAS, the City Council desires to authorize FEMA use of property owned by the Confederated Tribes of the Siletz Indians (Tribe) for emergency operations uses in accordance with this Resolution. Said use is subject to the property owner's consent and written agreement with FEMA for such use, including but not limited to rental payments or other consideration to facilitate the temporary emergency housing use; and

WHEREAS, on September 28, 2020, December 14, 2020, and January 11, 2021, the City Council heard a report from the City Manager concerning a request to declare an emergency due to the housing crisis caused by the ECHO MOUNTAIN COMPLX FIRE and COVID emergencies. The prior reports are incorporated herein by this reference. The conditions as reported by the City Manager are detailed herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LINCOLN CITY, AS FOLLOWS:

SECTION 1. RECITALS. The above recitals are true and correct and are incorporated herein by this reference.

- **SECTION 2. EMERGENCY DECLARATION**. The City of Lincoln City does hereby
- declare a State of Emergency to exist in the City of Lincoln City, and under the
- authority of Oregon Revised Statutes, the Lincoln City City Charter and LCMC Chapter
- 4 2.72, the City Council does hereby Order as follows:

5 6

A. A description of the nature of the emergency;

The Manager reports that the following conditions have resulted in the need for a declaration of a state of emergency:

- As a result of the Echo Mountain Complex Fire, residents in North Lincoln County have been driven from their homes and are in need of temporary shelter while homes are repaired or reconstructed. Additionally, renters of destroyed homes not being reconstructed have been permanently displaced and need shelter while they look for alternative housing. A large number of homes (over 300) were destroyed by area fires, with many more homes having been destroyed by fires in other parts of Oregon; and
- <u>Displaced residents have been observed sleeping in cars and recreational vehicles in Lincoln City and Lincoln County. Hotels, motels and VRDs are experiencing high occupancy levels, and rental units have historically been in short supply in the City of Lincoln City; Illegal camping on public and private property is a continuing problem; and
 </u>
- The unknown duration of the shortage of affordable temporary housing will have significant financial impact to the community.
- Pursuant to ORS 401.309(1), the governing body of a city may declare, by
 Ordinance or Resolution, that a State of Emergency exists within a city.
- Pursuant to Lincoln City Municipal Code Section 2.72.040, the City Council of
 the City of request may declare an emergency at a regular, special or
 emergency meeting of the City Council. All declarations must address the
 required terms as set forth in LCMC 2.72.060.
- The Council must ratify a declaration by the Order of the City Manager within 7 days (This Resolution ratifies the City Manager's Order dated December 7, 2020).
- This Emergency Declaration will Replace Resolution 2020-24 which designated City property (Fernwood) for emergency operations uses.

Resolution 2021-03 January 11, 2021

B. The geographic boundaries of the area where the emergency exists as 1 well as the portions lying within the city's boundaries and areas to be 2 subject to emergency powers/controls: 3 4 The geographic boundaries of the emergency are: 5 6 The boundaries of the emergency are the city limits of the City of Lincoln 7 8 City. 9 C. An estimate of the number of individuals at risk, injured or killed; and 10 11 The emergency impacts the entire population of the City of Lincoln City, 12 including residents, visitors and the homeless. Emergency Management 13 estimates approximately 300 families are impacted by local fires with many 14 more impacted by other Fires in Oregon. 15 16 D. A description of the actual or likely damage caused by the emergency; 17 and 18 19 Public health and safety risks, and risks to person and property caused by 20 inadequate shelter and access to sanitary facilities. 21 22 E. A statement of the type of assistance or resources required to respond 23 to the emergency; and 24 25 • Designation of specified Tribe property for emergency operations uses, 26 including temporary housing and other sheltering as specified herein. 27 28 F. An estimate of the length of time during which the designated area 29 will remain under the emergency declaration; and 30 31 January 11, 2023, (plus a 60 day demobilization period) to accommodate 32 the installation of temporary housing and the process of repairing, 33 rebuilding and reconstructing homes destroyed or damaged by fire in an 34 area with a shortage of suitable contractors for such works. The duration of 35 the emergency may be extended by the City Manager without further 36 Order of the Council so that the total duration of the emergency shall be 37 not more than two years from first occupancy of the FEMA provided 38 temporary housing on the subject Tribe property.
