3 **RESOLUTION NO. 2021-36**

4 **A RESOLUTION OF THE CITY OF LINCOLN CITY ESTABLISHING PARKING AND TRAFFIC**
5 **CONTROL MEASURES FOR A PORTION OF SW 28th STREET**

6 **RECITALS**

7
8 Pursuant to LCMC 10.08.010, the City Council may exercise Traffic and Parking Control
9 authority by Resolution of the Council; and

10
11 The establishment of parking controls, including but not limited to parking areas and time
12 limitations, prohibited parking, parking permits and metered parking is expressly listed as
13 within the authority of the City Council; and

14
15 The City Council has mandated in the code that the exercise of municipal traffic control and
16 parking authority be based upon engineering considerations, and not on any other basis; and

17
18 The City Engineer has reviewed the on-street parking on SW 28th Street between
19 SW Anemone Ave TO SW Coast Ave (approximately 500 feet). The review found
20 that the width of the right-of-way is 40 feet. The street is paved with sidewalks on
21 both sides (with the exception of a 200-foot section on the south side). The width of
22 the asphalt, curb line to curb line is 22 feet. The City standards per LCMC 16.12.030
23 require a minimum twenty (20) foot travel lane. The minimum width of asphalt
24 needed to allow parking on one side is 28 feet. Accordingly, the City Engineer has
25 determined that there is inadequate street width to permit on-street parking in the
26 above location. The City Engineer recommends an exercise in Parking and Traffic Control
27 authority by the Council to prohibit on-street parking on both sides of the street for the
28 above street segment.

29
30 Based on the engineering review, the City Council finds and determines that there exists an
31 engineering basis for an exercise of municipal parking and traffic control authority,
32 specifically to prohibit on-street parking on both sides of SW 28th Street between
33 SW Anemone Ave TO SW Coast Ave (approximately 500 feet).

34
35 **NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LINCOLN**
36 **CITY, AS FOLLOWS:**

37 **SECTION 1. RECITALS.**

38
39 The above recitals are true and correct and are incorporated herein by this reference.

40
41 **SECTION 2. IMPOSING TRAFFIC CONTROL.**

1 Effective upon posting of no parking signage by the City Public Works Department, the
2 requested exercise of parking and traffic control authority is hereby approved, specifically
3 on-street parking is prohibited on both sides of SW 28th Street between SW Anemone
4 Ave TO SW Coast Ave (approximately 500 feet).

5 **SECTION 3. POSTING OF SIGNAGE & NOTICE TO ENFORCEMENT OFFICERS.**

6
7 The Public Works Department is directed to erect no parking signs in the appropriate
8 locations and City police and code enforcement officers are to be advised of the new parking
9 restrictions by City Administration.

10 **SECTION 4. EFFECTIVE DATE.** This Resolution is effective as of the date of its adoption.

11
12 **PASSED AND APPROVED** by the City Council of the City of Lincoln City, Oregon, this 26th
13 day of July, 2021.
