A message from the City Manager

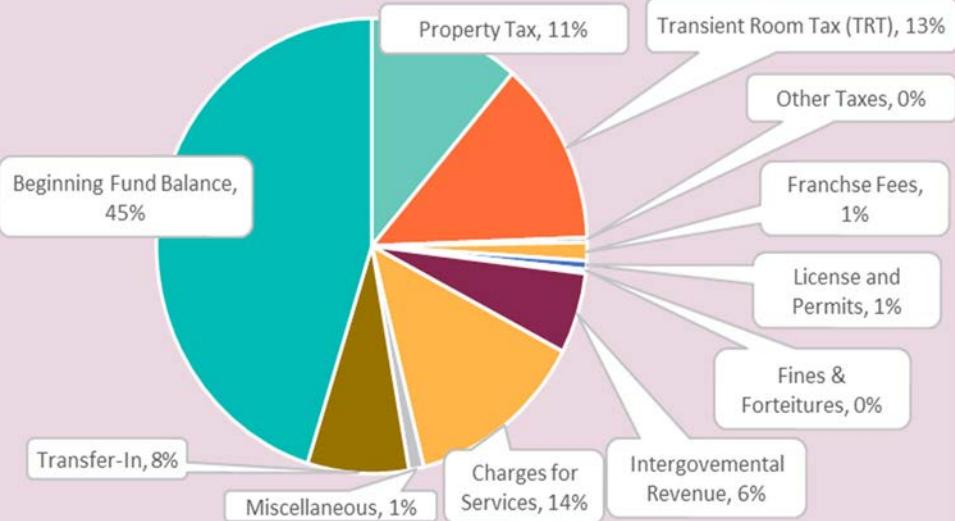

We are pleased to present the FY2022-2023 budget.

The City has exited its state of emergency brought on by the COVID-19 pandemic. Some projects that were put on hold due to the uncertainty of revenues during FY2020-21 and FY2021-22 have been resumed. The resumption of these projects were predicated on City Staff remaining focused on maximizing efficiency of City Operations in still uncertain times regarding the COVID-19 pandemic. This budget still contains carry over projects from FY2021-22.

Significant one-time expenditures include:

- Economic development programs
- Police car purchases
- New roof and gutters for Recreation Center
- Visitor Center architectural drawings & engineering
- Sidewalk improvements
- Wayfinding for entire City
- Nelscott force main replacement
- SE Oar pump station
- Master plan updates
- Electronic meter reading solution

Where does the City Get its Money?

Total Revenue, \$86,660,501

Property Tax, \$9,797,917, 11%

The property tax rate used to estimate the general fund property revenue is the same as prior years (\$4.0995 per \$1,000). The increase in property tax revenue is due to an increased taxable assessed value (limited to 3%) and new construction. Property taxes support the General Fund and Sewer bond payments.

Transient Room Tax (TRT), \$11,351,784, 13%

The imposition of the TRT is set forth in the City of Lincoln City Charter. TRT funds support marketing, public safety, street maintenance, parks and recreation, and City facility maintenance. Although recent TRT growth has been very strong, allowing for some increased capital projects in this budget, the current level of TRT revenue will not be sustained if nightly lodging rates decrease back to pre-COVID levels.

Other Taxes, \$292,801, Less than 1%

Other taxes include the occupational tax permit (OTP) renewal fees and penalties/interest associated with the OTP. Each business that operates for gain in Lincoln City is charged an OTP. There are about 2,800 entities that pay the OTP.

Franchise Fees, \$1,116,450 1%

Lincoln City charges a franchise fee to utility companies for using City owned right-of-way. NW Natural Gas, Pacific Power, Century Link, North Lincoln Sanitary, Charter Cable and Coastcom Inc. pay franchise fees.

Licenses and Permits, \$533,894, Less than 1%

Lincoln City charges permitting fees for planning activities including building permits, plan reviews, annexation, building inspections, zoning appeals and system development charges.

This budget proposes the following staffing changes.

- The addition of a 911 Dispatcher position.
- The addition of a Community Services Officer (PD)
- 0.25 FTE increase in the Urban Renewal/ Economic Development
- 0.25 FTE increase in Vehicle Maintenance (PT to FT)
- 0.38 FTE increase in Parks (PT to FT)
- 0.25 FTE increase in Lifeguard hours

Union Contracts

- The City is in negotiations with both the Union (AFSCME) and with the Police Association. At this time it is uncertain what COLA and market adjustment costs will be for FY2022-23. It is possible this cost will be substantially above what has been included in the proposed budget.

Sincerely yours,

Lila Bradley
City Manager

Fines & Forfeitures, \$252,635 Less than 1%

Fines & forfeitures are revenues associated with City policing, court imposed fines and collection agency fees.

Intergovernmental Revenue, \$4,968,181, 6%

Intergovernmental revenues are monies obtained from other governments, including grants, shared taxes, and loans. Intergovernmental revenues include liquor revenue allocation, state revenue sharing, 911 tax allocation, library service district revenue and marijuana tax allocation. This budget includes \$1,584,416 in reimbursement from the State for the West Devils Lake Road to Neotsu Bike / Pedestrian Path.

Charges for Services, \$11,653,601, 13%

Charges for services include water and sewer utility bills, lease revenue and community center and recreation fees. City funds include three operations in the Internal Service Fund—vehicle maintenance, geographical information systems and information technology. ISF operations provide services to other City departments.

This budget includes a 6% increase in City utility fees (water & sewer). The fee increase is vital as it allows continued replacement of critical water and sewer infrastructure needs and helps address increased costs of construction materials.

Miscellaneous, \$966,401, 1%

Miscellaneous revenues contains some lease revenues, interest earnings, miscellaneous sewer charges, revenue from Chinook Casino, report fees, and other assorted small fees.

Transfers-In, \$6,591,488, 8%

The City of Lincoln City budget is made up of funds which are self-balancing sets of accounts that are separated according to law, regulations and/or City purposes. Funds received in one fund can be used for expenditures in another fund if they are properly transferred and comply with revenue restrictions. For example, this budget proposes to transfer \$291,748 from the General fund to the Street Capital fund to be used for street capital projects.

Beginning Fund Balance, \$39,135,349, 45%

Each fund has its own beginning balance which is the accumulation of revenues over expenditures over time in that fund. The beginning fund balances are included as revenue per governmental accounting standards.

Transfers out, as with any other expense, are appropriated for through the budget process, and all transferred revenues must be used in compliance with revenue restrictions.

Contingency & Reserve for Future Years = \$13,379,515 = 15%

Contingency funds can be used during the fiscal year to pay for goods and services that were not anticipated for during the budget process. However, the intent is that contingency funds, for the most part, will not be expended during the fiscal year.

Streets at a Glance

The largest revenue source for Street Operation Fund is the transient room tax which accounts for 99% of the annual revenue, (\$2,258,343).

TRT revenues also fund a significant portion of the street capital projects, along with the motor vehicle gas tax, STP grants, and transfers from the General Fund.

Available funding in proposed budget is significantly higher than in previous years due to recent strong growth in TRT.

Items of Note: - Capital Projects

- Hwy 101 Sidewalks from Taco Bell to Holmes Road (grant match) = \$750,000
- S 3rd Street Flashing Beacon and Plaza = \$400,000
- NE 6th Street Sidewalks from Hwy 101 to State Park = \$650,000
- Head to Bay Trail on West Devils Lake Road from NE Port to Regatta Park = \$400,000
