## PUBLIC NOTICE OF CONSTRUCTION

---

### PROJECT WORK

Lincoln City is constructing improvements to the wastewater conveyance system near the Ester Lee Hotel. Phase 1 work includes the construction of a new force main from the bottom of Anchor Court, along 38<sup>th</sup> Street, and then southward along Highway 101. SEE ATTACHED CONSTRUCTION LOCATION MAP.

### WHO DO I CONTACT WITH CONSTRUCTION QUESTIONS?

Construction Contractor  
Shawn Bateson, Bateson Enterprises (541.430.4112)

### WHEN IS THE WORK?

Week of February 27, 2023

Locating and potholing of underground utilities.

Phase 1 Construction: March 6 – March 17, 2023

Mobilization of equipment, drilling and construction equipment along Highway 101 portion of the work.

Week of March 20, 2023

Relocation of construction along Anchor Court & 38<sup>th</sup> Street

Phase 2 Construction: March 27 – April 21, 2023

Construction along Anchor Court & 38<sup>th</sup> Street

Week of April 24<sup>th</sup>, 2023

### WHAT ARE IMPACTS TO TRAFFIC IN THE AREA?

Phase 1 construction along Highway 101 will maintain northbound and southbound traffic with temporary traffic devices. Be aware that the center turn lane will be closed and some turns may not be allowed. Please follow traffic signs, markers and flaggers as encountered.

Through traffic along 38<sup>th</sup> Street and Anchor Court will maintain two-way traffic whenever possible. At times, single lane traffic or road closures will be required. Door hangers will be delivered to property owners in advance of required road closures.
