

Concession Agreement Addendum

This Concession Agreement Addendum (hereinafter Addendum) is required under the Lincoln City Municipal Code in three instances all involving authorized use of City real property or right-of-way for commercial activity: (1) LCMC 5.28.080 Street Vending; (2) LCMC 5.16.050 Special Event Permit Vendors; and (3) LCMC 12.16.085 Parks Concessions. This Addendum is needed in addition to a Street Vendor License, or a Special Event Permit, or Parks Exclusive Use Permit. The City Code mandates that Street Vendors, Parks and Special Event Concessionaires operating on public property or right-of-way, locate only in approved locations that do not obstruct pedestrian or vehicular access and which are ADA compliant. The applicant must submit this application along with a scaled diagram of the permit area, with dimensions and the location and description of all structures, materials and activities shown. In addition, a certificate of insurance and endorsement form must be provided, as detailed in the applicable Code Chapters and the attached "Terms and Conditions" agreement signed. Acceptance of permit application fee does not deem the application approved. **For more information consult the City Code online – www.lincolncity.org**
